

# Are you confident of how your assets will be distributed at your death?

Not every estate plan is the same because of individual family and personal relationships. We can help diagram your estate plan based on your documents so you can be sure your assets will be distributed the way you desire.

Below is an example of a diagram that we can prepare for you based on your individual documents.

To discuss this further, contact Barbara Jones at 941-365-4617.
