KB DirectConnect™

Feeling alone and disconnected from your business advisors? Wouldn't it be great if your accountant sat in the desk next to you and could answer that quick question or help you with that one journal entry? With **KB DirectConnect™, you can connect with your accountant personally, professionally, and securely.**

KB DirectConnect™ lets us provide you with complete accounting services with fast turnaround time. As a savvy business owner or manager, you will have timely access to your financial information with management reporting tailored to your business needs. You will have a direct connection to responsive professional consultants who understand your individual business.

How does it work? Simple. We host your accounting data on our servers. You have access to the data and so do we. As you conduct daily business, we are available, if needed, with access to your financial information for immediate review, adjustment and feedback.

With **KB DirectConnect™**, you have the advantage of:

- A personal connection to your accountant on-line and in real time.
- The ability to connect with your accounting data from your office, home, or anywhere and anytime via the Internet.
- A quick, safe and secure connection that we manage for you.
- Timely, accurate and customized financial reporting that connects with your business goals.
- Daily backup of your accounting data.

Along with **KB DirectConnect™**, we also offer **KB CFOConnect™** – to do more with less.
