# SPAM/SCAM IRS Email Messages

[www.kbgrp.com](http://www.kbgrp.com)

We have heard from some of you that you have received emails specifying an IRS payment has been rejected. Our contacts at the IRS confirmed that this is a SPAM email occurring, and they reiterated that the IRS will NEVER contact you by email. So if you receive any email saying it is the IRS, it is a SCAM.

For information, go to the IRS's web site at <http://www.irs.gov/privacy/article/0,,id=179820,00.html>.
